# Forging a Relationship

# Step 1: Compatibility

- Make sure your needs align
- Make sure your goals align
- Make sure your expectations align
- Make sure your boundaries align

# Step 2: Chemistry

- Is it easy to talk to each other?
- Is it comfortable?

# Step 3: Create Deliverables

- Create at least three tangible deliverables for each of the apprentice's goals.

# Step 4: Set Deadlines

- Set real dates for your first, second, and third meetings.
- Set real dates for each of the deliverables.

# Step 5: Relationship Reevaluation

- After the deliverable deadlines, set a real date for a relationship reevaluation.

# Ending the Relationship

# Final Thoughts

Mentoring is, of course, about knowledge and skill, but more importantly, it's about being active:

Actively Learning

Actively Participating

Actively Improving
